### **WHY SHOULD YOU SUBSCRIBE?**

Subscribers will incur no additional expenses for use of our emergency service. Most insurance plans do not cover the full charge of ambulance and paramedic services, leaving you with balance bills, co-insurance fees and/or deductibles. Your subscription will cover any unpaid portion of your emergency services, except those required by law or regulation.

Non-subscribers are charged an average of **\$700** for Ambulance Service and **\$1000** for ALS Service per call.

2009 Subscription Drive  
**Millerstown Fire Department  
 & Ambulance League**

Your subscription is very important to us and necessary to maintain our equipment, building and continuing training. Your support enables us to operate and maintain a level of preparedness and respond to emergency situations. In 2008 our ambulance has responded to over 300 calls and the fire department has logged more than 100 calls. Our fire and ambulance personnel continuously take courses to maintain or increase their level of certifications. Any financial contributions would be greatly appreciated in order to keep our personnel safe and our equipment up to standards.

**Volunteers**

**We need volunteer EMT's, First Responders, and Drivers to serve with the Millerstown Ambulance League. Volunteers are needed for day and evening hours, especially daytime hours.** If you can help please contact any of our present members, email us at [mfdZambulance@yahoo.com](mailto:mfdZambulance@yahoo.com), or attend any of our monthly meetings. Volunteers will be provided with all necessary training.

**Fund Raising Committee**

The Fund Raising Committee would like to thank everyone who helped at the carnival this year which was held at our new location. It was greatly appreciated. We are looking forward to seeing you at the 2009 carnival.

**General Membership Information**

The 2009 Millerstown Fire Department Ambulance League subscription drive will again include coverage with West Shore ALS (Advanced Life Support). Our closest West Shore ALS provider is based in Duncannon. When a life threatening call is received by the Perry County 911 center, Millerstown Ambulance and ALS are dual dispatched. The Millerstown Ambulance will respond with at least one EMT and a trained driver. ALS consists of Paramedics that are trained with additional skills which cannot be provided by EMT's or First Responders. If the Perry County ALS unit is not available, an ALS unit from Dauphin, Cumberland, Juniata, or Snyder Counties will be dispatched to assist. If you are a member of the Millerstown Ambulance league, ALS services will also be covered at no charge. ALS services **DO** conduct 3<sup>rd</sup> party billing. If you are a member and have insurance, your insurance carrier will be billed. If you are a member and do not have insurance coverage you will **not** be billed for Millerstown Ambulance or ALS services.

**\*All subscribers who are planning to use Lewistown Hospital for their main hospital should contact Medic 29 at (717) 242-7429 for a subscription. This subscription WILL NOT cover Medic 29 services.**

**PLEASE HELP**
